Hi David,

I need to bring you up to speed on the conversation I just had with Joe Tiago. In the meanwhile, he sent these along since I requested them during our conversation. I have not read them but the one from NRDC is quite extensive. I am surprised we had not heard anything about these from either our HQ or the state.

Ron,

Great meeting with you all yesterday. It was very informative for us. Thanks for making the time. Attached our CWA's comments on the

Arroyo Grande aquifer exemption mentioned in the meeting, as well as comments from NRDC.

Thanks again,

John and Lynn
